

# ILLIA NIEVIEZHYN

Instructional Designer

📍 Vancouver BC, V6E 1T6 ☎ +1 (778) 877-5369 📩 hello@nvzhn.com 🌐 Portfolio

---

<b>Summary</b>	E-learning specialist with 6 years of experience turning complex ideas into clear, structured training. I build systems that make content scalable, tools that speed up production, and materials that actually help people learn. Known for bridging content, tools, and people, making things work without overcomplicating them.	
<b>Work Experience</b>	<b>Instructional Designer</b> Starley English 🔗 starleyenglish.com	<b>2020 – Present</b> Remote
	<i>Own the design and development of core training programs, improving content structure, learning experience, and production efficiency across the organization. Use a broad set of tools, including Camtasia and other multimedia and editing software, to strengthen instructional quality.</i>	
	<ul style="list-style-type: none"><li>• Build SCORM-compliant courses in Articulate 360 and Captivate, reducing production time by ~30% through automation and modular design.</li><li>• Translate complex documentation into clear, accessible training in collaboration with subject matter experts and technical teams.</li><li>• Design onboarding and role-specific programs that cut new hire ramp-up time by 15–20%.</li><li>• Create and maintain job aids, reference guides, and in-app walkthroughs for both clients and internal teams.</li></ul>	
	<b>Learning Content Developer</b> Starley English 🔗 starleyenglish.com	<b>2019 – 2020</b> Remote
	<i>Created the company's first e-learning materials and laid the groundwork for scalable content development. Focused on transforming internal expertise into structured, LMS-ready learning experiences that other teams could build upon.</i>	
	<ul style="list-style-type: none"><li>• Built reusable templates and content patterns that reduced development time and ensured consistency across early training materials.</li><li>• Partnered with SMEs from operations and support to extract process knowledge and turn it into step-by-step instructional assets.</li><li>• Increased learner engagement by ~25% across a base of 3,500+ users by improving structure, flow, and accessibility in content design.</li></ul>	
<b>Key Skills</b>	<b>E-learning and Design Tools</b> Adobe Creative Cloud, Apple Production Suite, Figma, Articulate 360, Adobe Captivate, ClassIn, Microsoft Office Suite, Camtasia	
	<b>Workplace Skills</b> Managing projects from planning to implementation, Adapting learning solutions to different audiences and business needs, Attention to detail in content accuracy	
	<b>Other Tools &amp; Skills</b> HTML/CSS (basic), Google Forms, Trello, DingTalk, Teams	
<b>Education</b>	<b>Bachelor of History &amp; Education</b> Ivan Franko State University, Ukraine 🔗 zu.edu.ua	
<b>Additional Experience</b>	<b>Hanlin Education Training Centre</b> English Instructor	<b>2016 – 2018</b> Hefei, China
	<i>Created lesson plans and materials. Assessed student progress and gave tailored feedback to help them improve. Adjusted teaching methods to fit different learning styles and abilities.</i>
